#### Independent Auditor's Report

Board of Directors Serving Older Adults of Southeast Wisconsin, Inc.

#### Report on the Audit of the Financial Statements

#### **Opinion**

We have audited the accompanying financial statements of Serving Older Adults of Southeast Wisconsin, Inc. (a nonprofit organization) which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Serving Older Adults of Southeast Wisconsin, Inc. as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Serving Older Adults of Southeast Wisconsin, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Serving Older Adults of Southeast Wisconsin, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
  include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
  statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of Serving Older Adults of Southeast Wisconsin, Inc.'s internal control. Accordingly,
  no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Serving Older Adults of Southeast Wisconsin, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Report on Summarized Comparative Information**

We have previously audited Serving Older Adults of Southeast Wisconsin, Inc.'s December 31, 2020, financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated May 27, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Board of Directors Serving Older Adults of Southeast Wisconsin, Inc.

#### NOTE A - Summary of Significant Accounting Policies

#### Organization

Serving Older Adults of Southeast Wisconsin, Inc.'s purpose is to help shape a community through various services and opportunities where every adult 50 and better will be connected to the resources they need and the opportunities that interest them, throughout the entire aging process.

Serving Older Adults of Southeast Wisconsin, Inc. operates five Milwaukee County Senior Centers. These centers offer adults a place to socialize, exercise, and participate in classes and programs. Anyone 60 or better may join for a delicious, nutritious, and balanced hot lunch available at any of the senior centers as part of Milwaukee County's Senior Dining Program. The Organization provides many events throughout the year and also allows others to use their space for private events.

#### **Accounting Method**

The financial statements of the Organization have been prepared on the accrual basis of accounting.

#### **Basis of Presentation**

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

#### **Cash and Cash Equivalents**

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less when purchased.

#### **Grants Receivable**

Grants receivable includes government and other grant revenue earned but not yet received by the Organization. Revenue is considered to be earned when the services are performed or related to costs to be reimbursed have been incurred.

#### Pledges Receivable

Pledges receivable are recorded when the Organization receives an unconditional promise to give or when the condition is met of a conditional promise to give. Pledges expected to be paid in more than one year from the statement of financial position date are discounted for risk and estimated present value.

#### **Contributions and Grant Revenue**

Contributions and unconditional promises to give received by the Organization are measured at fair value and are reported as increases in net assets. Contributions are considered available for the Organization's general operations and included in net assets without donor restrictions unless specifically restricted by a donor. A restricted contribution is reported in revenue and net assets without donor restrictions when the restriction is met within the same reporting period as the contribution is received. Contributions received restricted for a purpose not yet met or to support a future period are included in net assets with donor restrictions. When a donor restriction from a prior year expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Conditional contributions are not recognized as revenue until they become unconditional.

#### **NOTE A - Summary of Significant Accounting Policies (continued)**

#### Contributions and Grant Revenue (continued)

A conditional contribution is one that has both a barrier that must be overcome and an agreement requiring advance payment to be returned or future payment not to be obligated if the barrier is not overcome.

Net assets restricted for acquisition of building or equipment are reported as net assets with donor restrictions until the specified asset is placed in service when the net assets are released to net assets without donor restrictions.

When a donor requires the investment of a contribution and restricts the use of investment income, the investment income is reported as net assets with donor restrictions until appropriated for the designated time or use when the net assets are released to net assets without donor restrictions.

Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift. Donated services are recognized as contributions if the services create or enhance nonfinancial assets or the services require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Accordingly, the value of contributed time that does not meet these requirements has not been determined and is not reflected in the accompanying financial statements.

#### **Government Grants and Contract Revenue**

Government grants and contract revenue are recognized when earned. Revenue is earned when eligible expenditures, as defined in each grant, contract or other allowable cost manual, are made. Any cash received for revenue not yet earned is considered to be deferred revenue. Revenue earned but not yet paid to the Organization is included in grants receivable. Expenditures under government contracts are subject to review by the granting authority. To the extent, if any, that such review reduces expenditures allowable under these grants or contracts, the Organization records the disallowance at the time the final assessment is made. Management believes that disallowances, if any, would not have a significant effect on the financial statements.

#### **Advertising Costs**

The Organization used advertising to promote programs among the audiences served. Advertising costs are expensed as the advertising takes place. Advertising expense for the year ended December 31, 2021, was \$3,787.

#### **Functional Expenses**

The Organization reports costs in the statement of functional expenses as program, management and fundraising. Program costs are those associated with carrying out the mission; management costs are those for management of the Organization including accounting, human resources, office expense, budgeting, or board of directors costs; and fundraising includes costs attributed to the solicitation of contributions. The Organization charges costs directly to program, management, or fundraising whenever possible. Certain expenses are attributable to one or more programs or supporting functions of the Organization. Those expenses include salaries and facilities overhead. Salaries and related personnel costs are allocated based on estimated time and effort, and facility costs are allocated based on square footage.

#### **NOTE A - Summary of Significant Accounting Policies (continued)**

#### **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **NOTE B - Comparative Financial Information**

The financial information shown for 2020 in the accompanying financial statements is included to provide a basis for comparison with 2021 and presents summarized totals only, not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity to generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2020, from which the summarized information was derived.

#### **NOTE C - Future Accounting Pronouncements**

#### **NOTE C - Future Accounting Pronouncements (continued)**

Accounting Standards Update 2016-13, Financial Instruments - Credit Losses (Topic 326) will be effective for fiscal years beginning after December 15, 2023. The main objective of this update is to provide financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. To achieve this objective, the amendments in this update replace the incurred loss impairment methodology in current GAAP with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates, including exploring more forward-looking alternatives.

Independent Auditor's Report on Internal Control Over Financial Reporting and on

Compliance and Other Matters Based on an Audit of Financial Statements

Performed in Accordance With Government Auditing Standards and
the Department of Health Services Audit Guide

To the Board of Directors Serving Older Adults of Southeast Wisconsin, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and in accordance with the *Department of Health Services Audit Guide* issued by the Wisconsin Department of Health Services, the financial statements of Serving Older Adults of Southeast Wisconsin, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated June 3, 2022.

#### Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Serving Older Adults of Southeast Wisconsin, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Serving Older Adults of Southeast Wisconsin, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Serving Older Adults of Southeast Wisconsin, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Serving Older Adults of Southeast Wisconsin, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* or the *Department of Health Services Audit Guide*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and the *Department of Health Services Audit Guide* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
